## The Small Print

As a UK political party, we are governed by law determining who we can legally accept donations from. For details of the rules, please see the [Electoral Commission](#) web site. If you donate more than £200 we are required to check your details to ensure you are a UK registered voter. If you donate more than £5000 in a year, then we are obliged to record your donation in our routine quarterly return of donations to the electoral commission. This record is publicly accessible but your address will not be shown on the public record.
